Parents, teachers, and librarians, here I've organized book recommendations by age. That way, if you're looking to find a book for a particular age or grade level, you can check on those age-specific pages for ALL my reviews and recommendations. I love, love, love matching kids with books that ...

Children's Book Recommendations By Age | Imagination Soup

In 1980 I became convinced that speed reading could become a universal skill for all children if it were just made available in the right way to the general public. At that time the only speed reading courses available were those which cost hundreds of dollars per student. Also, these same courses were directed at adults (mostly college students and business owners).
