National Certification Commission in Chemistry and Chemical Engineering. Summary. This information has been prepared for Chemists and Chemical Engineers who may wish to apply to the official credentialing program of the National Certification Commission in Chemistry and Chemical Engineering (NCCCCE) sponsored by The American Institute of Chemists, Inc. (AIC).

American Institute of Chemists - Certification

In academic publishing, a preprint is a version of a scholarly or scientific paper that precedes formal peer review and publication in a peer-reviewed scholarly or scientific journal. The preprint may be available, often as a non-typeset version available free, before and/or after a paper is published in a journal.

Solvay is an advanced materials and specialty chemicals company, committed to developing chemistry that address key societal challenges.

Ryton® PPS | Solvay

Phenylpropanolamine is an alpha- and beta-adrenergic receptor agonist with sympathomimetic activity. Phenylpropanolamine (PPA) binds to and activates alpha- and beta-adrenergic receptors in the mucosa of the respiratory tract resulting in vasoconstriction and reduction in swelling of nasal mucous membranes and reduction in tissue hyperemia, edema, and nasal congestion.
