Citing definition, to quote (a passage, book, author, etc.), especially as an authority: He cited the Constitution in his defense. See more.

### **Citing | Define Citing at Dictionary.com**

"Something" is a song by the English rock band the Beatles from their 1969 album Abbey Road. It was written by George Harrison, the band's lead guitarist. Soon after the album's release, the song was issued as a single, coupled with "Come Together", making it the first Harrison composition to become a Beatles A-side. Its pairing with "Come Together" was also the first time in the United Kingdom ...

While the APA provides clear-cut instructions for citing standard publication types, some business resources have unique elements that make it necessary for us to make an interpretation of the APA rules. Some of the examples provided on this guide are adaptations made by the Bentley Library's reference librarians for the Bentley University community.
