

EXPEDITIONARY LEARNING GRADE 5

expeditionary learning grade 5 pdf

Myths: Not Just Long Ago. In this module, students are involved in a deep study of mythology, its purposes, and elements. Students will read Rick Riordan's *The Lightning Thief* (780L), a high-interest novel about a sixth-grade boy on a hero's journey. Some students may be familiar with this popular fantasy book; in this module, students will read with a focus on the archetypal journey and ...

Grade 6 ELA Module 1 | EngageNY

This module uses literature and informational text such as *My Librarian Is a Camel* to introduce students to the power of literacy and how people around the world access books. This module is intentionally designed to encourage students to embrace a love of literacy and reading.

Employment - Garfield County School District 16

It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)

Helping Children Succeed – What Works and Why

As we close out the third quarter of school, be sure to pay close attention to communications from the school that will keep you informed of important dates and testing schedules as the end of the school year approaches.
