The next step is for the researchers to read the full text of each article identified for inclusion in the review and extract the pertinent data using a standardized data extraction/coding form. The data extraction form should be as long or as short as necessary and can be coded for computer analysis if desired.

etc. 3.7. Don't Take Notes on a Computer By the way, I do not recommend taking notes on a laptop computer during class. Certainly you should not do this unless you are a very good typist and have "compiled" your word-processing or text-editing program into your fingertips. (In any case, typing can be very noisy and disturbing to your fellow students!)
