A flat tax (short for flat-rate tax) is a tax system with a constant marginal rate, usually applied to individual or corporate income. A true flat tax would be a proportional tax, but implementations are often progressive and sometimes regressive depending on deductions and exemptions in the tax base. There are various tax systems that are labeled "flat tax" even though they are significantly ...

Accounting Software vs. Free Invoice Templates. The four most common ways to create invoices are by using accounting software programs like QuickBooks Online or via a pre-made template using Microsoft Excel, Word, and/or PDF. While it's easiest to create and send invoices with software, it can be more costly.
