The Title V Maternal and Child Health Services (MCH) Block Grant program and the Medicaid program are required under federal law to coordinate activities, using coordination agreements and partnerships between state Medicaid agencies and Title V MCH program grantees to improve access to services for children and pregnant women. (Section 505 [42 U.S.C. 705] (a)(5)(F)) This website describes the ...

Early Periodic Screening, Diagnosis, and Treatment

Maternal health is the health of women during pregnancy, childbirth, and the postpartum period. It encompasses the health care dimensions of family planning, preconception, prenatal, and postnatal care in order to ensure a positive and fulfilling experience in most cases and reduce maternal morbidity and mortality in other cases.. The United Nations Population Fund (UNFPA) estimated that ...

Maternal health - Wikipedia

Maternal depression includes depression during gestation, early and late postpartum. • Onset of timing of maternal depression influences maternal care and symptoms.

Postpartum depression: Etiology, treatment and

Child care, otherwise known as day care, is the care and supervision of a child or multiple children at a time, whose ages range from six weeks to thirteen years. Child care is the action or skill of looking after children by a day-care center, nannies, babysitter, teachers or other providers. Child care is a broad topic that covers a wide spectrum of professionals, institutions, contexts ...
