In order to assist educators with the implementation of the Common Core, the New York State Education Department provides curricular modules in P-12 English Language Arts and Mathematics that schools and districts can adopt or adapt for local purposes.

Grade 7 Mathematics | EngageNY

Ninth grade, freshman year, or grade 9 is the ninth post-kindergarten year of school education in some school systems. Ninth grade is often the first school year of high school in the United States, or the last year of middle/junior high school. In some countries Grade 9 is the second year of high school. Students are usually 14–15 years old.

It's been one of higher education's saddest ironies: a remediation system intended to fix what's broken has itself needed repair. For every 100 Massachusetts community college students who enrolled in a traditional developmental math course in 2015, only 24 went on to complete a credit-bearing math course within two years.
